Personal Background:

My wife Laura and I purchased our condo in October 2019. We have (2) sons, Zachary (23) and Wesley (19). We enjoy relaxing here in the Northwoods along with attending Arts & Craft Fairs, fishing, hunting, hiking and snowmobiling.

Professional Background:

I've been working as a low voltage designer/sales pertaining to fiber optic cabling, structured cabling, access control & surveillance systems along with wireless networks.

Vision for Wild Eagle Lodge:

To continue to build upon Wild Eagle Lodge being the premiere family orientated destination in the Northwoods of Wisconsin where people can come to relax, have fun & enjoy multiple activities from their door.

I will continue to take a fair, ethical and objective approach in representing the interest of all condo owners to not only maintain, but to grow and improve upon our community here in the Northwoods while being fiscally responsible.
