Personal Background:

I have a degree in Construction Management from Northern Michigan University. I believe my background in construction and with my current job, I would be a good asset to the Board of Directors at Wild Eagle Lodge.

Professional Background:

I am a Condominium Property Manager. I have been a Property Manager for 11+ years. I currently manage 16 condominium associations and 1 park, comprised of over 550 units. All of my associations are located in the Chicagoland area. I have also worked in various construction trades prior to being a Condominium Property Manager.

Vision for Wild Eagle Lodge:

Wild Eagle Lodge is a great place with a great location on the Chain O Lakes. I would love to keep the grounds looking good but also work with the other Board members to improve on areas that need some TLC. I would also like to work w/ the ~~the~~ Board, Property Manager, and management of WEL to try to get the Blue Heron up and running again. I think the BH is a great asset to the owners and guests that stay at WEL.
