Personal Background:

I live in eastern Wisconsin with my wife and our four kids. As a family, we love spending time outdoors and cheering on our kids at their sporting events. One of our favorite family trips each year is going up to Wild Eagle Lodge. I believe my experience as a guest, combined with my involvement in the rental program, allows me to bring a unique perspective to the Board of Directors. I'm excited about the opportunity to contribute and enhance the guest experience.

Professional Background:

I hold a bachelor's degree in construction management and I am self-employed as a real estate investor. Since 2018, I have been an active member of the WELCA. I hope to be able to contribute my expertise in real estate, management and construction to enhance the overall experience for owners and guests at Wild Eagle Lodge.

Vision for Wild Eagle Lodge:

I envision a strong partnership between the WELCA and the on-site management team. Through clear communication and shared goals, we can continue to build Wild Eagle Lodge into a place that is not only a second home without the hassle, but also a wonderful real-estate investment at one of the premiere properties in the northwoods of Wisconsin.
