### **Personal Background:**

My wife Liz and I are from Grafton Wisconsin where we have raised our 4 sons. Early on in our marriage we began a tradition of family vacations in Northern Wisconsin. We immediately fell in love with Eagle River and the Chain of Lakes and have been vacationing here ever since. About 15 years ago we began staying at Wild Eagle Lodge and in 2019 we were fortunate to become owners. Since then our visits have increased and we enjoy spending as much time as we can exploring the chain of lakes and surrounding areas. Our children and their wives join us when they can, continuing the family tradition we started many years ago.

### **Professional Background:**

I have spent my entire career in IT working for several major companies in the Milwaukee area. The majority of my career has been in leadership positions with responsibilities for global team development, large-scale contract negotiations and developing and implementing IT strategies. The recent changes in work styles have afforded me the opportunity to work remotely from time to time which I have enjoyed from the beautiful views at Wild Eagle Lodge.

### **Vision for Wild Eagle:**

As a board member I am committed to maintaining Wild Eagle Lodge as an exceptional destination in the North Woods. I will act in the best interests of the owners by protecting their financial interests, ensuring the property is properly maintained, and continuing to develop transparent communications between the board and the owners. Wild Eagle Lodge is a family friendly resort that has so much to offer and I am committed to ensuring it stays that way for many years to come.
