PROPOSAL

4-7-25

Creative Electrical Solutions is proud to present you with the following quote:
Wild Eagle Lodge Condo Assoc – Pool equipment room re-wiring.

Scope:

Remove all accessible damaged/corroded conduit in equipment room.

Remove existing electrical panel.

Remove all associated lights, wiring, hangers, etc.

Install all new PVC conduit in place of existing damaged conduit.

Install all new PVC boxes, fittings, straps, etc for a complete install.

Install 1 – new 125 amp rated electrical panel in hallway – outside of equipment room. Panel is to be equipped with a lock on door.

Install all new wiring, lights, switched, receptacles, etc. All existing electrical equipment is to be replaced where accessible.

All conduits entering/exiting equipment room are to be sealed to prevent future corrosion of other areas/wiring.

Existing wires feeding subpanel are to be re-used unless determined otherwise.

3 – 4' LED sealed light fixtures are to be installed.

No work outside of equipment room is included in this quote.

CB *A* Estimated price: \$25,500 - \$31,500.00

Optional installations

Install new LED flat panel light fixtures in pool hallway, entry, 2 locker rooms, exercise room, etc. – approx. 25 fixtures

CB *A* Estimated price: \$3125.00

~~Install new LED flat panel light fixtures in gift shop, lobby, offices x 2, etc. – approx. 10 fixtures~~

~~Estimated price: \$1250.00~~

Quote does NOT include any utility costs, low voltage, fire alarm, data, etc. unless specifically listed above in scope of work.

Thank you for the opportunity to quote your project. I look forward to working with you.

Approved
